## MoNASP STATE TOURNAMENT

*March 15-18, 2023*

*Branson Convention Center, Branson, MO*

Over the past thirteen years, the Missouri National Archery in the Schools Program (MoNASP) has grown exponentially to over 800 schools and 200,000 Missouri students in grades 4-12.

The MoNASP State Tournament has also seen tremendous growth and is now the **second largest state archery tournament in the nation**. Last year, it was expanded to a four-day event and had a **\$7.7 million economic impact in Branson!**

This year, the Missouri Conservation Heritage Foundation (MCHF) is again partnering with the Missouri Department of Conservation (MDC) to host another successful tournament. **More than 4,500 students** are expected to compete in the 2023 tournament with over **20,000 spectators**. Help us make this the largest tournament yet!

## JOIN US AS A SPONSOR!

We invite you to be a part of this exciting event that encourages Missouri youth to build confidence and character.

We have many sponsorship opportunities for you to market your product or brand in front of Missouri student archers and their families. Proceeds from the event will be used to support MoNASP in future years, as well as fund other conservation programs in Missouri. Please review the information and determine the sponsorship level that works with you!

For more information, please contact Shawn Roberson, [shawn.roberson@mdc.mo.gov](mailto:shawn.roberson@mdc.mo.gov), 901.239.5086 or Tricia Burkhardt, [tricia.burkhardt@mdc.mo.gov](mailto:tricia.burkhardt@mdc.mo.gov), 319.610.5212.

**Thank you for your consideration!**

MCHF and MDC have a history of putting on successful tournaments. In 2022, there were over 4,300 archers from 218 schools competing at the MoNASP State Archery Tournament

with 17,500 spectators. Check out highlights from the 2022 state tournament!

**Fun Fact:** MoNASP, is an affiliate of the National Archery in the Schools Program (NASP), promoting education, self-esteem and physical activity for students in Missouri. Nearly every student—regardless of age, size, or physical ability—can succeed at archery. Students have the opportunity to compete at the local level and beyond. It's a great team building experience promoting skills and friendships that last a lifetime.
