

Become a driving force for conservation

wherever you buy Missouri hunting and fishing permits.

Conservation Heritage license plates show how wild you are about fish, forest and wildlife conservation. Now you can gain access to them at any authorized Missouri state hunting or fishing permit vendor. For a \$25 donation to the Missouri Conservation Heritage Foundation, the vendor will give you a "proof of donation" statement that allows you to order the Conservation Heritage plate of your choice. The Foundation will direct your donation to Missouri's nature centers, outdoor classrooms, Stream Teams, wildlife habitat and other conservation programs. You'll drive proud, knowing you helped our next generation learn how to conserve, manage and use wildlife resources.

NOTE: Save this sheet to use when you fill out your Department of Revenue Motor Vehicle Bureau personalized license plate application (Form 1716).

Your donation + MCHF Statement + Motor Vehicle Bureau Form 1716 w/fees = Conservation Heritage plate

Please check with the Department of Revenue Motor Vehicle Bureau (573-751-4509) before making a two-year donation.
