

# DEAR PARENT OR GUARDIAN,

We are learning about monarch butterflies and their amazing migration all the way to Mexico. Wildlife Heroes help raise money to support wildlife habitat restoration efforts. Every hero, including your child, can make a difference by collecting Coins for Critters. Wildlife Heroes will use the donations for a variety of things, like planting native plants, improving wildlife habitat and funding efforts to preserve, conserve and enhance Missouri's fish, forest and wildlife, including the monarch.

## WHAT YOUR DONATIONS CAN BUY:

**\$3** 1 milkweed plant to provide food and cover for monarch butterflies and caterpillars

**\$10** 5 milkweed seed packets to grow 125 plants

**\$15** 25 butterfly tags to mark monarchs during their migration

**\$50** A butterfly kit for researchers to catch, measure, record and tag monarch butterflies

**KIDS:** explain why you are excited to be a Wildlife Hero - saving nature by collecting coins for monarch butterflies.

Dear \_\_\_\_\_  
(Parent/Guardian)

I've been learning about the Monarch Butterfly and its migration all the way to \_\_\_\_\_  
(What is one country that Monarch Butterflies migrate to in the winter?)

Isn't that an awesome journey? I imagine if I flew that far, I might have some things get in my way, like \_\_\_\_\_ or \_\_\_\_\_  
(What do you think you might have to dodge when you made your long flight?)

My class is hoping to raise \$\_\_\_\_\_ for monarchs and I hope to raise \$\_\_\_\_\_  
(class goal)

That will be enough to buy \_\_\_\_\_!  
(\$ items)

We've learned that the monarch butterflies need our help. So, I know that as a Wildlife Hero, I can do my part!

LOVE,

## CELEBRATE SUCCESS
