

THE POWER OF HELPING WILDLIFE

Thank you, teachers, for participating with other classrooms across Missouri in our Wildlife Heroes - Coins for Critters Campaign. With the support of educators like you, our kids can simply **collect coins to make a difference in helping wild animals survive and thrive.**

WILDLIFE IN THE CLASSROOM

Kids explore wild animals and their habitats, while learning how they can be a helpful hero to make a difference. Teachers, you can continue these lessons throughout the year with resources provided on our website.
